

First and foremost, I and my Diocese would like to thank the parishioners of St. Elizabeth Ann Seton Parish for your generosity in helping restoring the Aneho Diocesan Spiritual Center. We are very grateful to you. The following is a summary of the situation. Fr. Frank has given permission for the money from next weekend's second collection, 6/2-3, to be designated for this project, so I wanted to give you this summary of successes and needs. He told me the checks should be marked for this project but written out to St. Elizabeth Ann for tax purposes. I will be giving a brief Power Point presentation next Sunday after the 11am Mass for those who would like to see what things look like.

**Report on the Diocesan Spiritual Center Father Gobbi of Topkli, Diocese of Aneho – Togo**
